Numismatists' Professional Opinion

from the Numismatic Professionals at the Academy of Coins[®]

6/13/2019

Dylan Williams:

Thank you for submitting your coin to PriceThatCoin.com.

We examined your photographs. In our professional opinion, the coin pictured is:

#1. An authentic 1922-S Peace Dollar.

#2. This appears to be a minor problem coin. Your photographs (rated 8 / 10, 10 perfect, 1 poor) are sufficient for determining grade and authenticity. It appears to be in lightly circulated condition with rim damage. It does not appear to be a heavily collected variety.

#3. Current Market Value (6/13/2019)

This coin has a current market value of \$16 - \$25. A savvy buyer will pay \$16, but others may pay more. It has a bullion value of about \$11. It is not worthwhile having this coin certified as any slight increase in value will not outweigh the cost of certification.
